Dear Bridgeport Residents,

The City, through its Lighthouse After School program, is pleased to present you with this publication, highlighting the numerous programs available for children and their families to learn, play and grow throughout the school year. We hope you take advantage of the wonderful enrichment opportunities our area service providers and organizations are offering. From computers to golf, from the symphony to baseball, Bridgeport has it all.

On behalf of my family, and the City of Bridgeport, enjoy the coming year and discover what the Park City has to offer.

On behalf of all service providers, many thanks to the public, private, and corporate sponsors of the programs offered within this publication. Without your financial support and commitment, we could not continue to provide such valuable services to Bridgeport's children and families. We would also like to thank the many volunteers who on a daily basis support all of our efforts in working with young people by sharing their time, talents, and expertise. It truly makes a world of difference!
Sincerely,

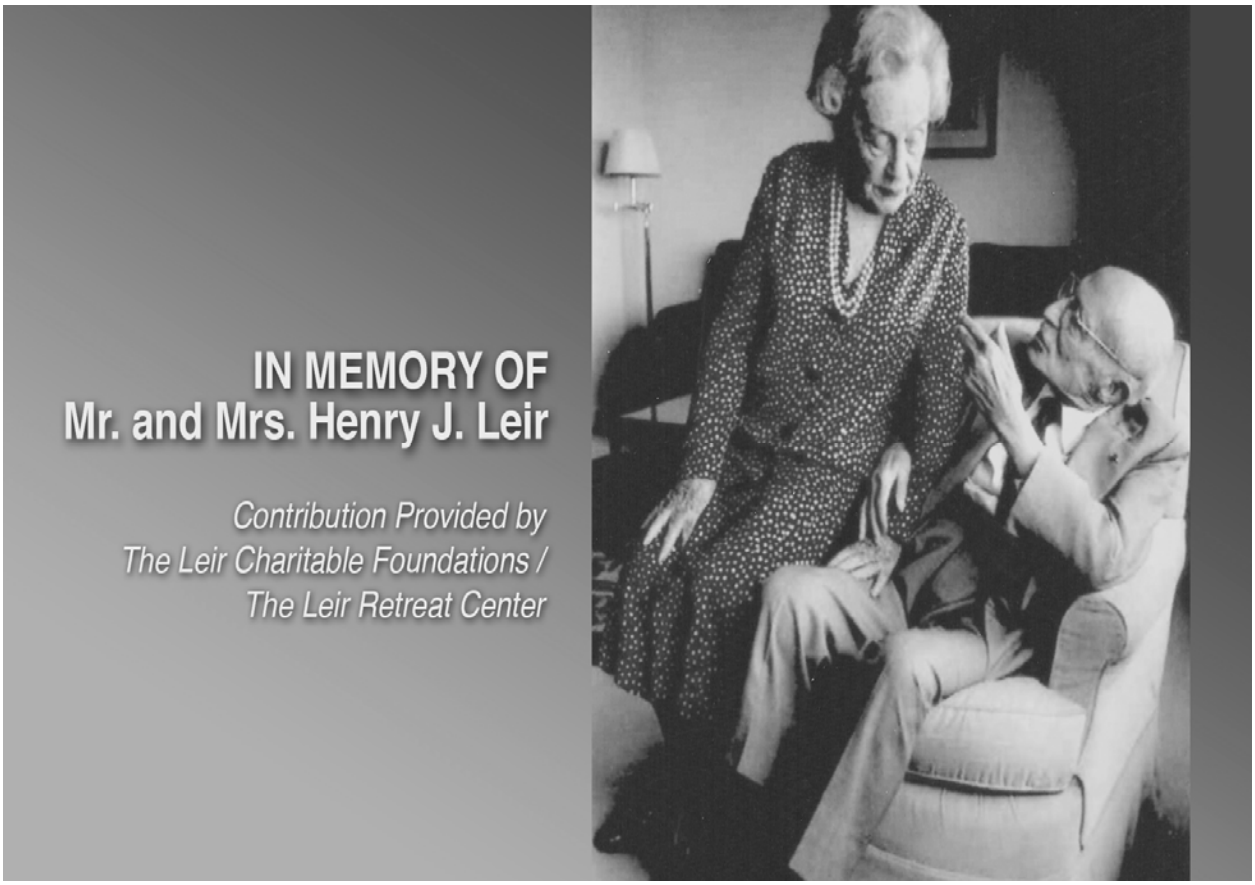
- Report neighborhood issues-potholes, graffiti, blight or illegal dumping, broken streetlights, downed trees or branches;
- Get answers to frequently asked questions about city government-"How do I pay my tax bill?" "Where do I get a dog license?"

BConnected—Citizens Services all in one easily accessible place online at **www.bridgeportct.gov-click BConnected**,
OR on your iPhone,
OR smartphone with a free downloadable app
OR by calling **203-576-1311**, M-F, 8:30 a.m. to 5 p.m.

The Leir's Charitable foundation's generosity over the past several years has contributed to the cities Lighthouse Program Scholarship Fund allowing 5% of the students at each Lighthouse site to attend the after school program for free. The foundation has been instrumental in helping us move toward our goal of combating childhood obesity through the yearly donation to Healthy Kids Day. Additionally they have provided Lighthouse students with countless experiences by offering educational workshops and field trips to the Museum of Natural History in NYC. We are also grateful for their ongoing professional development series which has enlightened many of us along the way. We can't thank Mr. and Mrs. Leir enough for leaving a legacy of giving and are grateful for their ongoing support and dedication to Bridgeport children.



We would like to thank our Sponsors for their Support & Contributions to "Healthy Kids Day" Because of you … Bridgeport children are being exposed to lifetime sporting opportunities that will ultimately keep them healthy and fit for years to come .

THANK YOU

Marty & Iris Walshin Foundation
