Mr. Amado reminded everyone that they had tabled the item pending the receipt of residency documentation. He reviewed the details with the Commissioners.

Atty. Walton said that they had presented two drivers licenses, one with her previous address in New Haven, which was later changed over to the Bridgeport in 2019 when she moved to Bridgeport. He reminded everyone that when someone moves, they are required to provide documentation, which Ms. Blake had done.

Atty. Mitola reminded everyone that if they grant the appeal, Ms. Blake's residency points will be restored and her name will be returned to the test list at the previous ranking.

Commissioner Buccino said that she had not been able to open the documentation showing the Seaview Avenue address. Mr. Amado confirmed that he had received the correct documents.

Ms. Blake said that she wanted to insure that they had the correct dates. Her original driver's license was dated 2018 and then updated the address. The DMV issues a sticker for the back of the license when there is an address change. She noted that her car was registered in Bridgeport and her attorney has all that documentation.

Mr. Amado asked for clarification on how she updated her address at the DMV. She explained that her address was registered with the DMV when she moved and she was able to update her license.

Hi Tim –

At this time you should request a waiver of appointment from the Civil Service Commission. To do so, you would send an email to the Acting Personnel Director, Eric Amado, and copy the Clerk for the Commission, Deborah Brelsford. Deborah will add your request to the agenda for the next Civil Service Commission meeting and will notify you of the date, time and place of the meeting should you wish to attend. Your attendance is not mandatory for the Commission to consider your request, but is offered to you in case you would like to attend. After the meeting she will notify you of the outcome of your request.

Since both of them are copied on this email, you could just "reply all" and request the waiver. Generally, waivers have a 6 month duration, which would give you time to heal. After the waiver expires, if there is a new vacancy, we would contact you to take the physical fitness test.

We all sincerely hope you get well soon!
