 CITY CLERK

The following statement was read during the Public Speaking Session:

Good Evening Members of the City Council. My name is Marilyn Middlemass, residing at 119 Hickory Street, about a block and a half from the entrance to Beardsley Park.

For the past two years, particularly on Saturdays and Sundays, I have noticed a vast amount of vehicles parked on the shoulder on East Main Street. The shoulder I am referring to is alongside Beardsley Park. This stretch of highway is notoriously known as "dead man's curve". Through the years, there have been many fatal and near fatal crashes.

On Saturday, June 1st, my husband and I went out for a ride on our motorbikes. He is an experienced motorcycle rider, and I, a "new" scooter rider. We headed out of Bridgeport towards Trumbull on Route 127(point B). As we rounded the curve near Evers Street, we couldn't help but notice all the vehicles parked on both sides of the street and on the side street, Beverly Place (area 1). At Beverly Place, adults and children were attempting to cross the busy and cramped highway. Later, when my husband and I had stopped to take a break, we both commented that what we had seen East Main Street earlier, was "an accident waiting to happen".

We enjoyed our ride that afternoon and started to head home taking same route back. As we approached Bridgeport from Trumbull on Route 127(point A), most of the vehicles we saw earlier were still there. The only difference was traffic was now backed up and moving slowly. As we approached the area circled, between area 1 and 2 we saw there was an accident that had just occurred maybe 10 to 15 minutes earlier. (Police were on the scene).

In my motorcycle safety course, which I just recently completed, we are told that there are many factors present in the cause of the accident. While I am not aware of ALL the factors involved on June 1st, I know of at least one that could have been a contributing factor. That factor is that the parked cars limited the space and visibility on the road that day. In my class, we also talk about a "margin of safety". I know I felt that I only had a small "margin of safety" while on that stretch of road (area 1) that day.

I like to have fun and enjoy myself as much as the next person. The question is "At what cost to all concerned?" The people who are illegally parking on that road are not only getting a "free day at the park", literally, but they are also making that roadway unsafe for vehicles and pedestrians.

After making numerous complaints to the police, park police, and the council members who live in the area, I am here to plead with you all, do the right thing in this matter. See to it that the laws regarding parking on the shoulder of a roadway are enforced. Make sure that the city is reaping the rewards of people actually having to park inside the park. And most importantly, please do this so that we can limit the factors that contribute to the amount of accidents that continue to occur in this area. The next accident could easily be you or someone in your family.

Fiscal Governance and Hungry Citizens.

The following statement was read during the Public Speaking Session:

Only in Bridgeport.....NOT!!

"I'm not so much a small government person as I am a good accountable responsible government person. A lot of blame belongs to the city council and the taxpayers who allowed one person to run everything with no checks and balances and take their money. The purpose of the article was to raise awareness amongst taxpayers..... and encourage you to start participating in your own city, town, school district activities. Hold politicians accountable Fiscal mismanagement is

negligence. Fraud is a crime. In many of these cases it's hard to draw the line between stupidity and criminal complicity. I make no excuses for either of the most consistent criticisms made....(with) inspections reports of the auditors is their lack of professional skepticism. Tough to be professionally skeptical when you don't know what the hell the executives are talking about or how to get independent, objective information. "June 2013.

Does this sound too familiar? Are you wondering when I wrote this and where it was published? Well how about a tip of the hat and some applause for Francine McKenna, a contributing writer to Forbes magazine regarding a municipal bond scam in the town of Dixon. These are her recent comments in the online edition answering other readers.

What are the Bridgeport connections?

- **Strong Mayor form of government and City Council (CC) made up of all one party "allows one person to run everything".**
- **With 25% of CC directly employed by the City they "take their money" and do not understand the concept of conflict of interest and ignore Charter language based on a single legal opinion expressed so often it has become unchallenged.**
- **"With no checks and balances" or at least by ignoring and operating in conflict with the many that have been set out in ordinances and in the Charter, the taxpayers have allowed their City governance to be hijacked.**
- **Politicians are elected and re-elected who themselves are not accountable for their decisions. They have not been held accountable for their failures.**
- **Fiscal mismanagement is allowed to continue with failure to provide oversight.**
- **And writers on OIB have trouble understanding whether the actions of this administration are objective signs of "stupidity" or "criminal complicity".**
- **When Boards or Commissions or Council Committees fail to ask for or receive "independent objective information" when necessary, no one in the community is capable of knowing whether to trust results or just ignore and hope for the best. Where is the "professional skepticism" of the media, of taxpayers, of the auditors who have been instructed not to respond to mere taxpayers of Bridgeport?**

We, in Bridgeport are not alone in our governance mess and the potential for bankruptcy and/or revelations of felonies. Keep in mind those three standards I have raised ad nauseam for the past several years: OPEN, ACCOUNTABLE and TRANSPARENT and advise your Council and Board representatives of what they need to call for and accomplish to get us closer to those objectives. Time will tell.

John Marshall Lee (June 13 2013)

The following persons signed up to speak prior to the Public Speaking Session:

Cecil Young

Mr. Young spoke about the potholes not being filled on the east end of Bridgeport and the issue of homeowner's homes being taken away for not paying taxes. He mentioned this in reference to a driveways project where \$400k was spent. He stated that he was thankful for the Connecticut Post article on getting the word out about what's going in the city. He further questioned when some money is going to be spent to repair potholes throughout the city; particularly on Union Avenue. He emphasized that the city council and the Mayor need to start looking out for the residents, their concerns and the problems they face. He said the \$400k spent should be retrieved and put back to benefit the taxpayers. He stressed that it's a shame and disgrace that the people aren't being represented properly.

Clyde Nicholson

Mr. Nicholson thanked Cecil Young and John Marshall Lee for their comments. He said he was here tonight regarding the need for a police presence in P.T. Barnum, Marina Village and and the Greens Apartments, just as it was in the past in Father Panik Village. He mentioned the killings that have occurred and he agreed with Cecil Young about the \$400k that was spent on a driveways project. He questioned how much more can be done to poor folks before something is done. He strongly voiced his belief that God is looking down and "we" need to be careful; straighten up and fly right. He expressed that it's time for wrong to stop being wrong and that the \$400k spent should be spent on the issues that many residents are facing, such as taxes, joblessness, crime etc.

The public speaking session closed at 7:00 pm.

MARTHA VALENCIA, ET AL v. CITY OF BRIDGEPORT**

Dear Honorable Members:

The Office of the City Attorney proposes to settle the above referenced litigation in the amount of \$12,000.00 payable to Miller Rosnick, Trustees for Martha Valencia. Pursuant to the City Council's recently amended Ordinance Section 2.10.130, this office hereby provides notice of its intent to settle this matter in accordance with the terms set forth in said Section 2.10.130.

If you wish to discuss the details of this case or have any questions, please feel free to contact me. Further, if I do not hear from you within the twenty (20) day time period provided by the Ordinance, I will proceed to finalize settlement of this matter.

Very truly yours,

MEDICARE PRESCRIPTION DRUG PLAN (PDP) GROUP AGREEMENT

This Medicare Prescription Drug Plan (PDP) Group Agreement (the "Agreement") is entered into effective as of January 1, 2013 (the "Effective Date") between UNITEDHEALTHCARE INSURANCE COMPANY, a Connecticut corporation, on behalf of itself and UnitedHealthcare Affiliates, hereinafter collectively referred to as "UnitedHealthcare," and the City of Bridgeport, CT, hereinafter referred to as "Group."

RECITAL OF FACTS

UnitedHealthcare is a Medicare Prescription Drug Plan sponsor certified by the Centers for Medicare & Medicaid Services to offer a prescription drug benefit plan

Group is an employer or other entity which sponsors an employee welfare benefit plan (the "Group Plan") and desires to provide a UnitedHealthcare prescription drug benefit plan for its Eligible Retirees and their Eligible Dependents.

AGREEMENT

NOW THEREFORE, in consideration of the application of Group for the prescription drug benefits provided under this Agreement, in accordance with the Medicare Laws and Regulations and in consideration of the periodic payment of PDP Plan Beneficiary Premium on behalf of Members in advance as they become due, UnitedHealthcare agrees to provide Covered Part D Drugs to Group Plan participants enrolled as Members in the UnitedHealthcare PDP Plan, subject to all terms and conditions of this Agreement.

1. DEFINITIONS

1.1 Agreement is this Medicare Prescription Drug Benefit Plan (PDP) Group Agreement, including, but not limited to any attachments or exhibits and any amendments thereto, and by reference, the Evidence of Coverage and Summary of Benefits, and any amendments thereto.

1.2 Alternative Disclosure Standards Waiver is the waiver of certain Medicare disclosure requirements at 42 CFR 423.128 for Group Plan beneficiaries when the Group, as the Group Plan sponsor, is subject to the disclosure requirements. Additional requirements to the Alternative Disclosure Standards Waiver apply pursuant to Chapter 12 of the Medicare Prescription Drug Benefit Manual.

1.3 Centers for Medicare & Medicaid Services ("CMS") is a Federal agency within the United States Department of Health and Human Services responsible for administering various Medicare programs.

1.4 Coinsurance is the portion of prescription drug expenses the Member must pay out-of-pocket, usually a fixed percentage. Coinsurance is usually applied after a deductible or

Copayment requirement is met. Coinsurance does not include any amounts payable by the Member that are not Covered Part D Drugs under this Agreement. Coinsurance is in addition to the PDP Plan Beneficiary Premium.

1.5 Copayment(s) is a fixed dollar amount payable to a health care provider or pharmacy by the Member when the Member fills a prescription for Covered Part D Drugs. Copayments are in addition to the PDP Plan Beneficiary Premium.

1.6 Covered Part D Drugs are the Part D eligible prescription drugs and drug products covered pursuant to the current terms of the PDP Plan, in compliance with Medicare Laws and Regulations.

1.7 Eligible Dependent(s) is any person defined as a qualified dependent by Group, who in all cases meets all the eligibility requirements of Group and the PDP Plan in his or her own right, and who is eligible, in his or her own right, to enroll in a Medicare Part D Plan under the Medicare Laws and Regulations. The Eligible Dependent must permanently reside within the Service Area.

1.8 Eligible Retiree(s) is a former Group employee who has met the minimum required retiree participation conditions as determined by Group, who is eligible to enroll in a Medicare Part D Plan under the Medicare Laws and Regulations, who meets the eligibility and enrollment requirements of the PDP Plan, and who permanently resides in the Service Area.

1.9 Enrollment is the enrollment of Group's Eligible Retirees and Eligible Dependents into the PDP Plan by Group pursuant to and in accordance with Medicare Laws and Regulations. Enrollment is conditioned upon acceptance of the Eligible Retiree or Eligible Dependent by UnitedHealthcare and by CMS, the execution of this Agreement by UnitedHealthcare and by Group, and the receipt of PDP Plan Beneficiary Premium by UnitedHealthcare.

1.10 Evidence of Coverage ("EOC") is the document supplied by UnitedHealthcare and issued to Members disclosing and setting forth the prescription drug benefits and terms and conditions of coverage to which Members of the PDP Plan are entitled. The EOC is incorporated fully into this Agreement by reference.

1.11 Group is the single employer or other entity identified above.

1.12 Group Plan is the employee welfare benefit plan sponsored by Group.

1.13 Group Contribution is the amount of the PDP Plan Beneficiary Premium applicable to each Member which is paid by Group.

1.14 Low Income Subsidy ("LIS") is a low-income subsidy provided to a LIS-eligible Member for the cost of the Member's premium or drug cost-sharing coverage under a Medicare prescription drug benefit plan, as described in Medicare Laws and Regulations.

1.15 Medicare Laws and Regulations are, collectively, the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 (the "MMA"), the Medicare Improvements for Patients and Providers Act of 2008, the Patient Protection and Affordable Care Act, the regulations

implementing the Medicare Part D Plan provisions of the MMA at 42 CFR Part 423, together with guidance, instruction and other directives from CMS relating to the Medicare Part D Plan.

1.16 Medicare Part D Plan is a Medicare Part D prescription drug benefit plan.

1.17 Member is the Eligible Retiree and/or Eligible Dependent who is eligible and covered by the PDP Plan.

1.18 Open Enrollment Period is the annual period established by Group, or if no Open Enrollment Period is declared by Group, another period required by CMS, during which all eligible and prospective Group Eligible Retirees and Eligible Dependents may enroll in the PDP Plan.

1.19 PDP Plan is the Medicare Part D Plan described in this Agreement, subject to modification, amendment or termination pursuant to the terms of this Agreement and the Group Plan.

1.20 PDP Plan Beneficiary Premium is an amount established by UnitedHealthcare and approved by CMS to be paid to UnitedHealthcare by or on behalf of each Member enrolled in the PDP Plan for coverage under the PDP Plan. The amount, method of payment, and Group Contribution to the PDP Plan Beneficiary Premium, if any, is set forth in the Exhibit A. The PDP Plan Beneficiary Premium may include late enrollment penalties as assessed by CMS for those Members who did not have creditable prescription drug coverage for a period that exceeds sixty-three (63) calendar days from or after eligibility for Medicare Part D Plan and will be billed pursuant to Section 3.4 below. The PDP Plan Beneficiary Premium will not include Income Related Monthly Adjustment Amounts ("IRMAA"), if any, as assessed by the Social Security Administration to certain individuals with higher incomes.

1.21 Service Area is a geographic area approved by CMS within which a PDP Plan Member must permanently reside in order to enroll in the PDP Plan.

1.22 UnitedHealthcare Affiliates are all companies controlling, controlled by or under common control with UnitedHealthcare Insurance Company.

1.23 UnitedHealthcare Enrollment Packet is the packet of information supplied by UnitedHealthcare to prospective and current Members which discloses policy and procedure and provides information about PDP Plan prescription drug benefits and exclusions.

2. ELIGIBILITY AND ENROLLMENT

2.1 Eligibility. The PDP Plan specifies the coverage for which Eligible Retirees and Eligible Dependents are eligible, in consideration of their continued entitlement to Medicare Part A and/or enrollment in Part B, and in consideration of UnitedHealthcare's receipt of any specified PDP Plan Beneficiary Premium. Only persons with Medicare Part A and/or B are allowed to be enrolled in the PDP Plan. The Member is responsible for paying the appropriate premiums for Medicare Part A and/or Part B.

2.2 Submission of Eligibility List and Enrollment/Election Forms. Group shall submit a list of Eligible Retirees and Eligible Dependents (the "Group Eligibility List"). If Group

seeks to automatically enroll all Eligible Retirees and Eligible Dependents, Group will make available to such Eligible Retiree and Eligible Dependent the ability to opt out of the automatic enrollment in a manner that allows such Eligible Retiree and Eligible Dependent to enroll in another plan of their choice on a timely basis and in accordance with Medicare Laws and Regulations.

Group shall submit any and all modifications to the Group Eligibility List to UnitedHealthcare by the tenth (10th) calendar day of each month. Additions to the Group Eligibility List must be received by the tenth (10th) calendar day of the month before a Member's coverage becomes effective in order for such Member's coverage to be considered effective as of the first day of the following month. The Group Eligibility List is subject to modification by UnitedHealthcare based upon acceptance or rejection of Enrollment by UnitedHealthcare and CMS.

2.2.1 Enrollment/Election. A properly completed Enrollment form must be submitted to UnitedHealthcare by Group for each Eligible Retiree and Eligible Dependent to be enrolled in the PDP Plan. In its discretion, UnitedHealthcare may accept a uniform group Enrollment (without individual enrollment election forms and usually in an electronic file format) if such group Enrollment is conducted pursuant to Medicare Laws and Regulations.

Required elements for an Enrollment include, but are not limited to the following: the PDP Plan Name, Member name, Member birth date, Member gender, Member permanent residence address, Member Medicare number, contact information if signed by an authorized representative, Group name, and Group number. For a paper Enrollment form, an additional required element is Member's signature or Member's authorized representative's signature.

2.2.2 Time of Enrollment. All Enrollment forms shall be completed and submitted by Group to UnitedHealthcare during the Open Enrollment Period. The EOC applicable to the PDP Plan includes information regarding Initial Enrollment Period and Special Enrollment Period as defined by CMS, during which Eligible Retiree and Eligible Dependent may enroll in the PDP Plan outside of the Open Enrollment Period. Group shall provide notice to existing and/or prospective Members of the applicable Open Enrollment Period. Group shall also provide prior notice of such Open Enrollment Period to UnitedHealthcare so that the appropriate UnitedHealthcare Enrollment Packet can be sent to Member in advance of the desired PDP Plan effective date.

Group shall forward all completed or amended Enrollment forms for each Member for receipt by UnitedHealthcare by the tenth (10th) calendar day of each month. Group acknowledges that any Enrollment form not received by UnitedHealthcare by the tenth (10th) calendar day of each month may be rejected by UnitedHealthcare or may result in a later effective date of coverage.

2.2.3 Enrollment Notice to Eligible Retiree and Eligible Dependent. Group shall provide a written notice, prepared by UnitedHealthcare, to Eligible Retirees and Eligible Dependents at the commencement of the Open Enrollment Period and throughout the year

to persons who become eligible at times other than during the Open Enrollment Period. The written notice shall provide notice of the availability of coverage under the PDP Plan.

2.2.4 Enrollment Record Retention. Group's record of the Member's enrollment election must exist in a format that can be easily, accurately and quickly reproduced for later reference by each individual Member, UnitedHealthcare and/or CMS, as necessary, and be maintained by Group for the term of this Agreement and for ten (10) years thereafter.

2.3 Commencement of Coverage. The commencement date of coverage under the PDP Plan shall be effective in accordance with the terms of this Agreement and Medicare Laws and Regulations (or, if applicable, in accordance with the eligibility date CMS communicates to UnitedHealthcare). UnitedHealthcare's acceptance of each Member's Enrollment is contingent upon receipt of the applicable PDP Plan Beneficiary Premium payment and CMS's confirmation of enrollment.

2.4 Involuntary Disenrollment. In the event a Member no longer meets Group's eligibility requirements for participation in the PDP Plan, Group and/or Member shall provide written notice to UnitedHealthcare of such Member's disenrollment from the PDP Plan or Group shall provide notice via the monthly Group Eligibility List submission, if applicable. Such notice, regardless of medium, shall include the reason for disenrollment. Group shall notify UnitedHealthcare thirty (30) calendar days prior to the proposed effective date of disenrollment. Disenrollment generally cannot be effective prior to the date Group submit the disenrollment notice.

In the case of a Member who no longer meets Group's eligibility requirements for participation in the PDP Plan or in the case of termination of this Agreement in accordance with Section 7, Group will issue prospective notice to Member of the termination a minimum of twenty-one (21) calendar days prior to the effective date of said termination. Such notice must advise Member of other insurance options that may be available through Group. Group will also advise such Member that the disenrollment action means the Member will not have Medicare prescription drug coverage. Notice must include information about the potential for late-enrollment penalties that may apply in the future.

The effective date of disenrollment always falls on the last calendar day of a month. In the case of a Member no longer meeting Group's eligibility requirements, Group will send UnitedHealthcare notice of a Member's termination from the PDP Plan by the first calendar day of the month for an effective date of the last calendar day of that month. All notifications received after the first calendar day of a month will result in a termination effective date of the last calendar day of the following month.

2.5 Voluntary Disenrollment. In the event a Member elects to discontinue being covered by the PDP Plan, such Member must submit a signed, written notice to UnitedHealthcare that complies with Medicare Laws and Regulations by the tenth (10th) calendar day of the month. Group cannot request a voluntary disenrollment of a Member. Group shall notify UnitedHealthcare prior to the proposed effective date of disenrollment. The effective date of disenrollment always falls on the last calendar day of a month. Disenrollment generally cannot be effective prior to the

date Group submits the Member's signed, written disenrollment notice. All notifications received after the tenth (10th) calendar day of the month can result in a termination effective date of the last calendar day of the following month.

2.6 Disenrollment Record Retention. Group's record of Member's election to disenroll must exist in a format that can be easily, accurately and quickly reproduced for later reference by each individual member, UnitedHealthcare and/or CMS, as necessary, and be maintained by Group for at least ten (10) years following the effective date of the individual's disenrollment from the PDP Plan.

3. GROUP OBLIGATIONS, PDP PLAN BENEFICIARY PREMIUM AND COPAYMENTS

3.1 Notices to UnitedHealthcare. Group shall forward all notices of disenrollment to UnitedHealthcare within the timeframes specified in Sections 2.4 and 2.5 above in the event a Member loses eligibility or elects to terminate membership under this Agreement. Group agrees to pay any applicable PDP Plan Beneficiary Premium through the last calendar day of the month in which the Member is enrolled.

3.2 Notices to Member. If Group or UnitedHealthcare terminates this Agreement pursuant to Section 7 below, Group shall promptly notify all Members enrolled through Group of the termination of their coverage in the PDP Plan. Such notification will include any other plan options that may be available through Group. Group shall provide such notice by delivering to each Member a true, legible copy of the notice of termination sent from UnitedHealthcare to Group, or from Group to UnitedHealthcare, at the Member's then current address. Group shall promptly provide UnitedHealthcare with a copy of the notice of termination delivered to each Member, along with evidence of the date the notice was provided. In the event that UnitedHealthcare terminates Member's enrollment in the PDP Plan for non-payment of PDP Plan Beneficiary Premium or UnitedHealthcare's non-renewal of this Agreement, Members will receive notice of termination from UnitedHealthcare.

If, pursuant to Sections 3.6.1 and 3.6.2 below, UnitedHealthcare or Group increases PDP Plan Beneficiary Premium payable by the Member, or if UnitedHealthcare increases Copayments or Coinsurance or reduces Covered Part D Drugs provided under this Agreement, UnitedHealthcare or Group, as applicable (whichever party promulgates the change), shall promptly notify all Members enrolled through Group of the increase or reduction. In addition, UnitedHealthcare or Group, as applicable (whichever party promulgates the change), shall promptly notify Members enrolled through Group of any other changes in the terms or conditions of this Agreement affecting Members' benefits or obligations under the PDP Plan. Unless the change is to be communicated by UnitedHealthcare through the Annual Notice of Change (ANOC) process, Group shall provide such notice by delivering to each Member a true, legible copy of the notice of the PDP Plan Beneficiary Premium or Copayment or Coinsurance increase or reduction in Covered Part D Drugs sent from UnitedHealthcare to Group at the Member's then current address. When required by CMS, Group shall promptly provide UnitedHealthcare with a copy of the notice of PDP Plan Beneficiary Premium or Copayment or Coinsurance increase or reduction in Covered Part D Drugs delivered to each Member, along with evidence of the date the notice was provided.

UnitedHealthcare shall have no responsibility to Members in the event Group fails to provide the notices required by this Section 3.2.

3.3 PDP Plan Beneficiary Premium. PDP Plan Beneficiary Premium is set forth in the Exhibit A and will be paid to UnitedHealthcare by the Due Date in accordance with Section 3.5 below. Group shall pay or ensure payment of any portion of PDP Plan Beneficiary Premium for Members for which Group is responsible, as set forth in the Exhibit A. Each Member is responsible for paying to UnitedHealthcare or Group, as applicable, any portion of PDP Plan Beneficiary Premium for which he or she is responsible.. When agreed by UnitedHealthcare and Group, UnitedHealthcare will bill each Member for Member's amount of the PDP Plan Beneficiary Premium. UnitedHealthcare shall arrange for Covered Part D Drugs under the PDP Plan only for those Members for whom the applicable PDP Plan Beneficiary Premium has been paid.

3.4 Late Enrollment Penalty. PDP Plan Beneficiary Premium may include any late enrollment penalties as determined applicable by CMS. The late enrollment penalty ("LEP") is based on the combination of a percentage of the national average Part D bid amount set by CMS and the number of months a beneficiary has not enrolled in a Medicare Part D plan, when eligible or a Member does not have creditable coverage (coverage containing a prescription drug benefit that is equivalent to Medicare Part D). LEP is communicated to UnitedHealthcare by CMS upon confirmation of Member enrollment by CMS. Upon Group's written authorization UnitedHealthcare will bill the LEP directly to Member, in the event a Member is assessed a LEP by CMS.

3.5 Due Date. PDP Plan Beneficiary Premium is due in full on a monthly basis by check or electronic transfer and must be paid directly by Group and/or by Member, as applicable, to UnitedHealthcare on or before the last business day of the second month following the month for which the premium applies ("Due Date"). For example, premium for January is due the last business day of March. Failure to pay the PDP Plan Beneficiary Premium on or before the Due Date may result in termination of the Member from the PDP Plan in accordance with eligibility requirements as determined by Group, the procedures set forth in the EOC and Medicare Laws and Regulations. For payments due from Group, UnitedHealthcare reserves the right to assess Group an administrative fee of five percent (5%) of the monthly premium prorated on a thirty (30)-day month for each day it is delinquent thereafter. This fee will be assessed solely at UnitedHealthcare's discretion. In the event that deposit of payments not made in a timely manner are received by UnitedHealthcare after termination of Group, the depositing or applying of such funds does not constitute acceptance, and such funds shall be refunded by UnitedHealthcare within twenty (20) business days of receipt, if UnitedHealthcare, in its sole discretion, does not reinstate Group.

3.6 Modification of PDP Plan Beneficiary Premium and Benefits.

3.6.1 Modification of PDP Plan Beneficiary Premium. PDP Plan Beneficiary Premium, as set forth in Exhibit A, may be modified by UnitedHealthcare upon thirty (30) calendar days written notice to Group and upon mutual consent by Group and UnitedHealthcare. Any such modification shall take effect commencing the first full month following the expiration of the thirty (30)-day notice period.

Additionally, any imposition of or increase in any premium tax, guarantee or uninsured fund assessments, or other governmental charges relating to or calculated in regard to the PDP Plan Beneficiary Premium shall be automatically added to the PDP Plan Beneficiary Premium as of their legislative effective dates, as permitted by law. In addition, any change in law or regulation that significantly affects UnitedHealthcare's cost of operation can result in an increase in the PDP Plan Beneficiary Premium, in an amount to be determined by UnitedHealthcare, as of the next available date of PDP Plan Beneficiary Premium adjustment, as permitted by law.

3.6.2 Modification of Benefits or Terms. Covered Part D Drugs, as set forth in the EOC, as well as other terms of coverage under the PDP Plan may be modified by UnitedHealthcare in its sole discretion upon thirty (30) calendar days written notice to Group. Any such modification shall take effect commencing the first full month following the expiration of the thirty (30)-day notice period or on a later date specified in the notice.

3.7 Effect of Payment. Except as otherwise provided in this Agreement, only Members for whom the PDP Plan Beneficiary Premium is received by UnitedHealthcare are entitled to benefits under the PDP Plan, and then only for the period for which such payment is received.

3.8 Adjustments to Payments. No retroactive adjustments may be made beyond ninety (90) calendar days for any additions to or terminations of Eligible Retiree, Eligible Dependent or Member or changes in coverage classification not reflected in UnitedHealthcare's records at the time UnitedHealthcare calculates and bills for PDP Plan Beneficiary Premium.

3.9 Member/Marketing Materials. Group shall provide UnitedHealthcare with copies of any and all materials relating to the coverage available through the PDP Plan that Group intends to disseminate to Eligible Retiree, Eligible Dependent or Member. All materials relating to the PDP Plan and/or UnitedHealthcare shall be subject to review and written approval by UnitedHealthcare prior to its distribution by Group. Group understands that the PDP Plan is subject to federal and state regulatory oversight, and that Eligible Retiree, Eligible Dependent or Member materials and marketing materials (including, but not limited to, cover letters accompanying direct mail kits, announcement mailings, etc.) may be required to be filed with, reviewed and approved by, CMS or state regulators prior to use. Group agrees not to distribute such material prior to receipt of written approval of the material by UnitedHealthcare. Group shall assume all liabilities and damages arising from Group's unauthorized dissemination of Eligible Retiree, Eligible Dependent or Member materials and/or marketing materials. Group also agrees to comply with all relevant federal and state regulatory requirements regarding the distribution and fulfillment of Eligible Retiree, Eligible Dependent or Member materials and/or marketing materials and applicable timeframes. If Group is subject to the Alternative Disclosure Standards Waiver, Group must ensure compliance with any such alternative disclosure requirements, notify UnitedHealthcare of the reason for following alternative disclosure requirements, and timely provide UnitedHealthcare with copies of alternative disclosure materials for review and approval pursuant to the Alternative Disclosure Standards Waiver and UnitedHealthcare policies.

3.10 Employer/Union-Only Group Part D Prescription Drug Plan Obligations. Pursuant to Medicare Laws and Regulations, Group acknowledges and agrees to comply with the following obligations with respect to the PDP Plan:

3.10.1 Uniform Premium Requirements: Group may determine how much of the PDP Plan Beneficiary Premium Group will subsidize. Group agrees that the following conditions shall be met in determining the PDP Plan Beneficiary Premium subsidy:

a. Group can subsidize different amounts for different classes of Members in the PDP Plan provided such classes are reasonable and based on objective business criteria, such as years of service, date of retirement, business location, job category, and nature of compensation (e.g., salaried v. hourly). Different classes cannot be based on eligibility for Low Income Subsidy individuals;

b. Group cannot vary the PDP Plan Beneficiary Premium subsidy for individuals within a given class of Members other than as is required for the CMS-assessed late enrollment penalty; and

c. Group cannot charge a Member for prescription drug coverage provided under the PDP for more than the sum of his or her monthly PDP Plan Beneficiary Premium attributable to basic prescription drug coverage and 100% of the monthly PDP Plan Beneficiary Premium attributable to his or her supplemental prescription drug coverage (if any).

3.10.2. Low Income Subsidy: For all PDP Plan Low Income Subsidy eligible individuals:

a. UnitedHealthcare will administer Low Income Premium Subsidy (LIPS) credits. Pursuant to federal regulations, the LIPS amount must first be used to reduce the portion of the monthly PDP Plan Beneficiary Premium attributable to basic prescription drug coverage paid by Member, with any remaining portion of the LIPS amount then applied toward the portion of the monthly MA-PD Plan Beneficiary Premium attributable to basic prescription drug coverage paid by Group. If, however, UnitedHealthcare does not or cannot directly bill Group's Members, CMS will waive this up-front reduction requirement and permit UnitedHealthcare to directly refund the amount of the LIPS to the Member.

b. If the sum of Member's and Group's monthly MA-PD Plan Beneficiary Premium is less than the amount of the LIPS credit, any amount of the LIPS credit above the total MA-PD Plan Beneficiary Premium must be returned to CMS; and

c. If the LIPS credit for which a Member is eligible is less than the portion of the monthly MA-PD Plan Beneficiary Premium paid by Member, Group shall communicate to Member the financial consequences for Member of enrolling in the Group MA-PD Plan as compared to enrolling in another Medicare Part D Plan with a monthly beneficiary premium equal to or below the LIPS amount.

d. Any LIPS credit due to Member and/or Group must be applied within forty-five (45) calendar days of receipt.

e. To enable UnitedHealthcare to appropriately administer LIPS disbursements, Group shall complete and return an annual attestation issued by UnitedHealthcare.

i. The attestation validates the Group's current billing procedures and is used to determine the recipient of LIPS disbursements.

ii. The lack of an up-to-date attestation will default the disbursement of LIPS to Member regardless of prior year attestation information.

iii. UnitedHealthcare will not refund Group for LIPS disbursements made to Member during periods prior to an adequate attestation being completed and returned.

iv. In order to collect and redistribute misappropriated LIPS disbursements made to Group, UnitedHealthcare reserves the right to bill Group who has received LIPS disbursements on behalf of Member due to incorrect attestation information.

f. UnitedHealthcare shall provide reporting to Group for Members currently receiving LIPS disbursements. These reports will identify Member by name and display their respective monthly disbursements. These reports are intended to allow Group to recoup, if applicable, any remaining portion of the LIPS credit (payment that remains after the LIPS credit is used to exhaust the monthly MA-PD Plan Beneficiary Premium attributable to basic prescription drug coverage paid by the Member). If the reported amount exceeds \$30, the amount distributed would likely cover multiple months. The employer would only be allowed to recoup the difference between the monthly MA-PD Plan Beneficiary Premium and the monthly LIPS credit amount. In these cases, a request for a more detailed report from UnitedHealthcare should be sought before attempting to recoup LIPS disbursements.

3.11 Compliance with the Health Insurance Portability and Accountability Act of 1996; Creditable Coverage. UnitedHealthcare is not responsible for issuing any and all notices of creditable coverage required by the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to eligible Members.

4. BENEFITS AND CONDITIONS FOR COVERAGE

The applicable EOC and any attachments are an integral part of this Agreement and are fully incorporated by reference into this Agreement. These documents include a complete

description of Covered Part D Drugs under the PDP Plan. UnitedHealthcare agrees to apprise Group concerning the type, scope and duration of Covered Part D Drugs to which Member is entitled under the PDP Plan.

5. PARTIES AFFECTED BY THIS AGREEMENT; RELATIONSHIPS BETWEEN PARTIES

5.1 Relationship of Parties. UnitedHealthcare is not the agent or representative of Group and shall not be liable for any acts or omissions of Group, its agents or employees, or any other person or organization with which Group has made, or hereafter shall make, arrangements for the performance of services under this PDP Plan. Group is not the agent or representative of UnitedHealthcare and shall not be liable for any acts or omissions of UnitedHealthcare, its agents, employees or providers, pharmacies, or any other person or organization with which UnitedHealthcare has made, or hereafter shall make, arrangements for the performance of services under this PDP Plan.

5.2 Roles. UnitedHealthcare shall not be deemed or construed as an employer or as an employee for any purpose with respect to the administration or provision of benefits under Group's benefit plan. UnitedHealthcare shall not be responsible for fulfilling any duties or obligations of an employer or an employee with respect to Group's benefit plan. This Agreement is a business transaction between two unrelated parties.

6. TERM OF AGREEMENT; RENEWAL PROVISIONS

The term of this Agreement shall be one (1) year, commencing on the Effective Date, unless this Agreement is terminated as provided herein. This Agreement shall renew for a one (1) year term, or longer as mutually agreed, upon 90 days prior written notice from Group, on each anniversary of the Effective Date, unless terminated as provided herein. Renewal of this Agreement shall be subject to modification of rates and benefits pursuant to Section 3.6.

7. TERMINATION

7.1 Termination by Group. Group may terminate this Agreement by giving a minimum of sixty (60) calendar days written notice of termination to UnitedHealthcare, to allow processing time for UnitedHealthcare to notify Member with a minimum of twenty-one (21) calendar days advance notice of termination. Group termination shall always be effective on the first day of the month. Group shall continue to be liable for PDP Plan Beneficiary Premium for all Members enrolled in this PDP Plan through Group until the date of termination.

This Agreement shall terminate in the event it is not renewed by UnitedHealthcare (including non-renewal with respect to a Service Area or a portion of a Service Area in which Member resides, as applicable). If this Agreement is not renewed, Member's Medicare Part D Plan coverage under this Agreement will be terminated. If UnitedHealthcare decides not to renew the Agreement at the end of the year, UnitedHealthcare will send Member a letter at least ninety (90) calendar days before the end of the Agreement. In the event UnitedHealthcare exits a portion of the Service Area, Member will be notified prior to the Service Area exit, pursuant to CMS requirements.

7.2.3 Termination For Nonpayment of PDP Plan Beneficiary Premium. UnitedHealthcare may terminate this Agreement in the event Group or its designee, or Member fails to remit PDP Plan Beneficiary Premium in full by the Due Date to UnitedHealthcare by giving 30 days written notice of termination of this Agreement to Group. Nonpayment of PDP Plan Beneficiary Premium includes but is not limited to, payments returned due to non-sufficient funds (NSF) and post-dated checks. Such notice shall specify that payment of all unpaid PDP Plan Beneficiary Premium must be received by UnitedHealthcare within fifteen (15) calendar days of the date of issuance of the notice, and that if payment is not received within the fifteen (15) calendar day period, no further notice shall be given, and coverage for all Members enrolled in this PDP Plan shall automatically be terminated effective at the end of the month for which PDP Plan Beneficiary Premium has been actually received by UnitedHealthcare, subject to compliance with notice requirements.

7.2.4 Termination for Breach of Material Term. UnitedHealthcare may terminate this Agreement if Group breaches any material term, covenant or condition of this Agreement and fails to cure such breach within thirty (30) calendar days after UnitedHealthcare sends written notice of such breach to Group. For purposes of this Section 7.2.4, material terms of this Agreement specifically include, but are not limited to, Sections 3.1 (Notices to UnitedHealthcare) and 8.2 (Assignment). UnitedHealthcare's written notice of breach shall make specific reference to Group's action causing such breach. If Group fails to cure its breach subject to UnitedHealthcare's satisfaction within thirty (30) calendar days after UnitedHealthcare sends notice of the breach to Group, UnitedHealthcare may terminate this Agreement at the end of the thirty (30)-day notice period.

7.2.5 Termination for Providing Misleading or Fraudulent Information. UnitedHealthcare may terminate this Agreement thirty (30) calendar days after UnitedHealthcare sends written notice to Group, if Group provides materially misleading

or fraudulent information to UnitedHealthcare in any Group questionnaire or is aware that materially misleading or fraudulent information has been provided on Eligible Retiree, Eligible Dependent or Member Enrollment forms.

7.2.6 Termination for Ceasing to Meet Group Eligibility Criteria. UnitedHealthcare may terminate this Agreement upon thirty (30) calendar days written notice to Group if Group fails to abide by and enforce the conditions of Enrollment set forth in this Agreement.

UnitedHealthcare's exercise of its termination rights under Section 7.2 does not waive UnitedHealthcare's right to payment by Group for all coverage provided, including late fees as provided in Section 3.5.

8. MISCELLANEOUS PROVISIONS

8.1 UnitedHealthcare Names, Logos and Service Marks. UnitedHealthcare reserves the right to control all use of its name, product names, symbols, logos, trademarks, and service

8.11 Headings. The headings of the various sections of this Agreement are inserted merely for the purpose of convenience and do not expressly, or by implication, limit or define or extend the specific terms of the section so designated.

8.12 No Third Party Beneficiaries. Except as otherwise expressly indicated in this Agreement, this Agreement shall not create any rights in any third parties who have not entered into this Agreement, nor shall this Agreement entitle any such third party to enforce any rights or obligations that may be possessed by such third party.

8.13 Superseding of Other Agreements. The PDP Plan replaces and supersedes any previous prescription drug plan between UnitedHealthcare and Group. The terms and conditions of this Agreement shall in turn be superseded by those of any subsequent agreement to provide a prescription drug plan between UnitedHealthcare and Group.

8.14 ERISA. UnitedHealthcare makes no representations or determinations regarding whether the arrangement contemplated by this Agreement constitutes an employee welfare benefit plan under the Employee Retirement Income Security Act ("ERISA"), 29 USC § 1001 et seq. This determination is solely the responsibility of Group. UnitedHealthcare will administer this Agreement in accordance with the requirements of Medicare Laws and Regulations and is not

responsible for complying with the provisions of ERISA or administering any applicable obligations that may arise under ERISA, including those relating to claims procedures or appeals, COBRA, providing summary plan descriptions, or required filings, member materials or disclosures. UnitedHealthcare is neither the plan administrator nor named fiduciary of the employee benefit welfare plan, as those terms are used in ERISA.

8.15 Indemnification. Group and UnitedHealthcare each agree to indemnify, defend and hold the other party, and its affiliates, harmless, and to accept all legal and financial responsibility for any liability (including reasonable attorneys' fees) arising out of its own failure to perform its obligations as set forth in this Agreement, or under Medicare Laws and Regulations. This provision shall survive the expiration or termination of this Agreement.

9. MEDIATION AND ARBITRATION

UnitedHealthcare and Group will work together in good faith to resolve any disputes about their business relationship. If the parties are unable to resolve the dispute within thirty (30) calendar days following the date one party sent written notice to the other party, and if any party wishes to pursue the dispute, the pursuing party may request non-binding mediation, within ninety (90) calendar days following the date one party sent written notice to the other party, facilitated by a third-party neutral mutually agreeable to both parties. The mediation shall be held in Fairfield County, Connecticut. If agreement is not reached at the mediation, the pursuing party may submit the dispute to arbitration in accordance with the rules of the American Arbitration Association. In no event may arbitration be initiated more than one (1) year following the sending of written notice of the dispute, and no dispute may be initiated before the pursuing party submits to non-binding mediation. Any arbitration proceeding under this Agreement shall be conducted in Fairfield County, Connecticut. The arbitrators may construe or interpret but shall not vary or ignore the terms of this Agreement, shall have no authority to award any punitive or exemplary damages and shall be bound by controlling law. Each party shall be responsible for its own costs, including attorneys' fees, incurred in connection with any arbitration. The parties acknowledge that because this Agreement affects interstate commerce, the Federal Arbitration Act applies. Notwithstanding the provisions of this Section 9, if any party would suffer irreparable and immediate injury as a result of another party's breach or violation of any provision of this Agreement for which there would be no adequate remedy at law, such party may seek preliminary and other injunctive relief against any such breach or violation in a court having jurisdiction over the parties and the subject matter of the dispute.

Contract Summary

Name of Vendor: Joseph G. Pulitano Insurance Agency, Inc also known as Advanced Resources Marketing (ARM).

Type of Insurance: Long-Term Care (LTC) Insurance

Cost: This is voluntary insurance. The premium costs are fully borne by employees and retirees who elect to purchase it and satisfy the carrier's underwriting requirements. Employees will have the option of paying for the insurance by payroll deduction, while employed.

Background

LTC insurance covers expenses associated with activities of daily living, often called custodial care, most typically for aged individuals who are spending their final days in a nursing home. However, any covered person, regardless of age, who becomes incapacitated due to injury or illness would be entitled to benefits.

Long-Term Care insurance is a complex product. The program being offered by the City includes policies which conform to State of Connecticut guidelines on long-term care insurance known as the *Connecticut Partnership for Long-Term Care*.

Neither group insurance nor Medicare cover long term care expenses. This type of insurance is becoming an increasingly important component of a person's estate planning.

ARM was selected by an RFP. They provide a similar program to a number of employers in Connecticut including State of Connecticut employees. They are skilled at conducting employee orientations and helping people understand the complexities of this insurance. Employee meetings will be conducted during non-work hours.

All representations, warranties, agreements and rights of the parties under the Agreement shall survive such termination to the extent not otherwise limited in the Agreement and without each one of them having to be specifically mentioned in the Agreement.

(5) Termination of the Agreement pursuant to this section shall not be deemed to be a breach of Agreement.

This Agreement may be amended only with the consent and signature of both parties and with the approval of the Bridgeport City Attorney.

Section 14—Indemnity.

Section 18—Grievance Procedures.

The Carrier's policyholder complaint-handling procedures are attached hereto and incorporated herein by reference (**EXHIBIT B**).

Section 19—Nondisclosure.

The Agency shall not release any personal identifying information about Employees or other information concerning the Services provided pursuant to this Agreement or any part thereof to any member of the public, press, business entity that is not affiliated with the Agency or any official body unless prior written consent is obtained from the City, except to the extent required by law, legal process or regulatory authority having jurisdiction over the Agency.

Section 20—Confidentiality.

All Employee data provided to Agency by the City will be treated as proprietary to the City or personal identifying information and shall be treated as confidential. The Agency agrees to hold such information in confidence and not to disclose or otherwise make available any such information in any form to any person except to those employees of the City, or to those employees, representatives, advisors or subcontractors of the Agency or of the Agency's affiliates who need access to the information to facilitate the provision of Services under this Agreement and except where a disclosure of such information by Agency is required by other governmental authority to ensure compliance with laws, rules or regulations, and any such disclosure will be limited to that actually so required. Where such disclosure is required, the Agency will provide advance notice to the City of the need for the disclosure and will not disclose absent consent from the City, except to the extent required by law, legal process or regulatory having jurisdiction over such party. Nothing herein shall be construed to prohibit Agency from providing routine information to Employees or beneficiaries concerning the Program or any Policy.

Section 21—Sovereign Immunity.

The parties acknowledge and agree that nothing in the Solicitation or the Agreement shall be construed as a modification, compromise or waiver by the City of any rights or defenses of any immunities provided by Federal law or the laws of the City of Bridgeport or any of its

officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this section conflicts with any other section, this section shall govern.

Section 22—Non-Waiver.

None of the conditions of this Agreement shall be considered waived by any party hereto unless given in writing. No such waiver shall be a waiver of any past or future default, breach or modification of any of the conditions of this Agreement unless expressly stipulated in such waiver.

Section 23—Assignment.

This Agreement shall not be assigned by either party without the express prior written consent of the other.

Section 24 – Health Insurance Portability and Accountability Act.

(a) The parties acknowledge and agree that there is no “business associate” relationship between them, as such term is defined in the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations (as the same may be amended from time to time, “HIPAA”), and that, accordingly, HIPAA does not apply to this Agreement or to the premium payment deduction activities contemplated hereby.

(b) To the extent that an Employee applies for a Policy, the Agency shall comply with all applicable City, State and federal laws (including without limitation regulations) concerning the confidentiality, privacy, or security of personally identifiable information (including without limitation names, addresses, medical history and other information) about Employees disclosed to the Agency or its representatives in connection with the Program. Without limiting the foregoing, the Agency acknowledges and agrees that any “Individually Identifiable Health Information” (as defined by HIPAA) that the Agency receives (either directly

or indirectly) from, about, or on behalf of an Employee is “Protected Health Information” (as defined by HIPAA) and shall be treated accordingly. The Agency further acknowledges and agrees that any Protected Health Information so received by the Agency pursuant to this Agreement is for the purpose of underwriting, premium rating, or other activities relating to the creation and placement of an Agreement of Long-Term Care Insurance, and that if such insurance is not placed with the Agency, the Agency may not use or disclose such Protected Health Information for any other purpose, except as may be “Required by Law” (as defined by HIPAA).

Section 25—SEEC and OPM Ethics Forms.

Agency acknowledges that it has read and understands the City’s prohibitions on certain campaign solicitations and contributions set forth in City Elections Enforcement Commission Forms 10 and 11 (“SEEC Forms 10 and 11”). While the Agency is providing the certification required by OPM Ethics Form 1 (the “Certification”) and the affirmation required by OPM Ethics Form 6 (the “Affirmation”), the parties agree that Agency is not a “City Agency” to which SEEC Forms 10 and 11, the Certification and the Affirmation apply because this Agreement is not an Agreement of insurance with the City (group or individual) or a “City Agreement,” as defined in Connecticut General Statutes §9-612(g)(2), as amended by Public Act 07-1, and does not require the expenditure of City funds.

[signature page follows]

IN WITNESS WHEREOF, the parties have executed this Agreement for the City of Bridgeport

Marketing Plan for the City of Bridgeport

There are approximately 4,000 active City of Bridgeport Employees and 2,500 Retirees to whom we will be marketing to over the contract period. The initial marketing and enrollment will take place during two 45 day Open Enrollment Periods, the first beginning in May 2013 and the second beginning in September 2013. Subsequent marketing efforts will continue the flow of business for the balance of the contract period until 2015.

Our marketing venues are as follows:

During the first 45 Day Open Enrollment period – May thru June, 2013

Active Employees

Educational seminars will be conducted at the worksite by the enrollers as is allowed by Management and HR.

A schedule of enrollments will be made available to the Benefits Office of the City of Bridgeport as soon as it is finalized. The schedule will detail where and when enrollers will be present.

Additionally ARM will be in attendance at the City of Bridgeport's Health Benefit Fair.

Retirees

A direct mail solicitation will be conducted for the City of Bridgeport Retirees soon after the start of the Open Enrollment Period.

During the second 45 Day Open Enrollment period – September thru October, 2013

Active Employees

Educational seminars will be conducted at the worksite by the enrollers as is allowed by Management and HR.

A schedule of enrollments will be made available to the Benefits Office of the City of Bridgeport as soon as it is finalized. The schedule will detail where and when enrollers will be present.

Additionally, ARM will be in attendance at the City of Bridgeport's Health Benefit Fair.

A direct mail solicitation will be created for the active City of Bridgeport Employees. The mail solicitation will be mailed as soon as close to the beginning of the Open Enrollment Period as possible.

30 Days (or thereabout) before the end of the Open Enrollment Period

ARM will notify all active Employees of the coming end of the Open Enrollment Period portion of the program.

120 Days or thereabout after the end of the Open Enrollment Period

ARM will notify all active Employees and Retirees of the continuing offer of LTCi. Employees and Retirees would still be eligible for the City of Bridgeport sponsored discount. Interested prospects in all venues would have three ways to respond to solicitations:

1. Fill out and mail back the postage paid response card.
2. Call our LTCi service center at 800.LTC.CT89
3. View an interactive presentation on our specially designed website for City of Bridgeport Employees and Retirees

Articles

From time to time as requested by the City of Bridgeport, ARM will provide articles, pre-approved by the Benefits Office of the City of Bridgeport between 300-500 words in length, discussing the need for long term care planning and the City of Bridgeport Employees & Retirees LTCi program to be used in the various communication media sent to Employees and Retirees. All articles will be released upon pre-notification to the Benefits Office of the City of Bridgeport.

Retirees

ARM will send notifications to the City of Bridgeport Retirees once per year. Additionally Retiree Chapter Presidents are free to schedule the enrollers to speak at meetings to explain and discuss the offering.

Active Employees

ARM will send notifications to active City of Bridgeport Employees two times per year. Additionally the enrollment team will be continually meeting with City of Bridgeport Employees in the worksite conducting seminars, individual meetings, and office visits as allowed by Management and HR.

The above marketing efforts will continue after the end of the Open Enrollment Period and throughout to the end of the contract.

Special Marketing Considerations for Certain Departments

The enroller, ARM, recognizes the challenges of marketing and access allowed by some departments.

In addition to attending any Supplemental Benefit Fairs that might be organized, ARM will be utilizing technology where logistics can impede access.

Specifically, new technology (Glance & Go To Meeting) will allow for all interested City of Bridgeport Employees and Retirees, to schedule an 'on line, on the phone' presentation at their convenience. This will enable them to log onto their computers from home or elsewhere, call an 800 number and speak live to Partnership Certified enroller who can walk them through an LTCi

Presentation, run quotes for them, run comparisons, review medical conditions, and even help them fill out applications.

This will give considerable flexibility to those interested in learning more about the LTCi program and is especially convenient when dealing with couples who may have conflicting schedules.

The availability of these presentations will be noted on all City of Bridgeport Marketing Materials and will be specifically marketed in numerous flyers distributed throughout HR Departments.

Of course these technologies will be available to all City of Bridgeport Active Employees and Retirees.

Complaint-Handling Procedures

Life and Protection (L&P) Division of Transamerica

Department of Insurance and Consumer Complaints Policies and Procedures

The following procedures shall be in effect as of June 1, 2012 (revised August 10, 2012). The policies and procedures described below apply to all products, carriers, and companies within the Life and Protection Division of Transamerica (L&P).

The Consumer Affairs Department is part of the Law Department and is responsible for managing Department of Insurance (DOI) Complaints and Consumer Complaints. Contact information for Consumer Affairs is listed within these policies and procedures.

A DOI complaint is a **communication expressing dissatisfaction with a specific person or entity subject to regulation under state insurance laws** that is received from the insurance department of a state. A Consumer Complaint is a **communication expressing dissatisfaction** that is received from a consumer, an attorney, the Better Business Bureau (BBB), an Attorney General (AG), or other consumer protection organization. Under these definitions, a communication is not considered to be expressing dissatisfaction if the communication is solely an inquiry. To determine whether the communication is expressing dissatisfaction, one should consider the language used in the letter and make a reasonable determination based on that language.

Consumer Complaints can be divided into two categories: written and verbal. A written complaint includes correspondence via internet, mail, fax or e-mail. A verbal complaint includes those received via the telephone or in person. News reporter complaints include both verbal and written from the media.

Some states have adopted "grievance" requirements for specific products. A "grievance" is a defined term in these states (see "Grievance Procedures" below). All complaints and grievances in these categories must be tracked.

Department of Insurance Complaints

When a written communication from a DOI is received it must be submitted to Consumer Affairs immediately but never later than within one business day of receipt. Consumer Affairs will manage the complaint and ensure it is appropriately logged into the complaint tracking system in compliance with applicable state law and Corporate guidelines.

DOI complaints must be responded to within 10 business days or sooner if required by state regulations (e.g., 7 calendar days required in North Carolina). The 10-day requirement is a Corporate guideline but many states have established similar timelines for DOI cases. If there is a delay in sending the written DOI complaint to Consumer Affairs, the timeframe to respond will be shortened to ensure a response is sent within state and Corporate guidelines.

All responses to a DOI must name the carrier and contain all information required by the state as shown on the cover letter sent with the DOI, including the carrier's NAIC Number. Some DOIs require that you respond to the insured directly, with a copy to the DOI. The initial complaint letter from the DOI will denote if this is required. The individual assigned to respond to the complaint should thoroughly read the initial letter from the DOI in order to determine what needs to be provided in order to comply with all of the DOI's requirements.

Consumer Affairs is responsible for ensuring that the response is accurate and complete and meets all requirements as specified by the DOI. The DOIs in the states of FL and LA require responses to be uploaded through their online system.

Should the individual assigned to respond to the complaint determine that additional time to respond to the DOI is necessary, Consumer Affairs should be contacted immediately. Consumer Affairs will attempt to obtain an extension from the DOI. NOTE: Some DOIs (such as California) will not grant extensions, and requests for extensions should be avoided, if possible. Failure to meet mandated response times may result in regulatory action (i.e. fines or examinations) by the states.

Consumer Complaints

All written consumer complaints from an insured, beneficiary, attorney representing the complainant/insured, complaints from the BBB, complaints from an Attorney General, complaints from a consumer threatening to contact an attorney, a BBB, an Attorney General or other consumer protection organization should be sent to Consumer Affairs immediately but not later than within 1 business day of receipt. The consumer complaint will be logged by Consumer Affairs into the complaint tracking system. Consumer Affairs is responsible for monitoring the case to ensure an accurate and complete response is sent within 10 business days of receipt. If there is a delay in sending the written consumer complaint to Consumer Affairs, the timeframe to respond will be shortened to ensure a response is sent within the Corporate guidelines. For all complaints, Consumer Affairs may request additional back up documentation.

Verbal Complaints

A verbal complaint is one made via the telephone or in person. All verbal complaints should be tracked as determined by the business unit, such as by the Customer Service Department, Consumer Affairs, or the TPA. All verbal complaints are expected to be tracked and be available for audit by L&P upon request. Since the various methods for tracking and recording verbal complaints are specific to each business unit, check with the appropriate Consumer Affairs Management Team Members as listed below for guidance on how verbal complaints are logged.

News Reporter Complaints

Do not respond to a news reporter or any other media request regardless of whether the request is received via telephone call or written correspondence. Alert Consumer Affairs and/or Communications when a complaint of this nature is received. There are established procedures and various approvals that are required (including Corporate approval) when communicating with the media. Consumer Affairs is responsible for logging these complaints in the complaint tracking system.

Follow Ups/Additional Information

If verbal or written correspondence is received in follow up to a previously recorded complaint, the information needs to be forwarded to Consumer Affairs. Consumer Affairs will log follow ups and/or additional information sent in the complaint tracking system and ensure a response is sent within 10 business days of receipt or sooner.

Grievance Procedures

"Grievance" is defined by the law of the state where the grievance originates and applies to certain products such as health products. Grievance procedures should be analyzed to determine whether a complaint has initiated grievance procedure processes in a particular state.

When a written grievance is received, the communication will be addressed to "Grievance Coordinator." Any communication addressed to Grievance Coordinator will be managed in Consumer Affairs. The correspondence must be submitted to Consumer Affairs within 1 business day. Consumer Affairs will review the state's grievance procedures and the products impacted then log the grievance in the complaint tracking system in compliance with various statutes and corporate guidelines.

Reports and Trend Analysis

Consumer Affairs will produce monthly DOI Complaint & Consumer Complaint reports. In addition, Consumer Affairs will analyze complaints to identify trends, issues or "red flags" that should be addressed. If any trends, issues or "red flags" are detected, Consumer Affairs will consult with the appropriate department to determine if corrective action may be required. Reporting for grievances that are required by the DOI will be submitted by Consumer Affairs.

Consumer Affairs Department – Management Team

Consumer Affairs consists of several associates who are responsible for the complaints for L&P. Consumer Affairs is responsible for training associates within the organization on complaint handling. The team has a common mailbox which is **custrel@aegonusa.com**. If a complaint is received, it can be forwarded to the common mailbox for handling. Below is a list of Managers in Consumer Affairs.

BE IT FURTHER RESOLVED, that the City Council, if the Officials deem it necessary, desirable or appropriate, appropriates and pledges for each year that the Refunding Bonds are outstanding, for the payment of the Refunding Bonds, all grant payments received by the City securing any and all of the Prior Bonds, and the City Council hereby authorizes the Officials to determine the terms and conditions of such pledge of security for the Refunding Bonds and whether or not, in fact, the City should grant such security, and the Officials are further authorized to take all such actions and execute all such documents to implement such security, all in such manner as such Officials shall determine to be in the best interest of the City; and

BE IT FURTHER RESOLVED, that the City Council authorizes and approves that the Refunding Bonds be secured by the City's property taxes, including interest, penalties and related charges, pursuant to Chapter 117 and other chapters of the Connecticut General Statutes, and, if deemed necessary or appropriate by the Officials and in the City's best interest, hereby authorizes the Officials (i) to establish a property tax intercept procedure and a debt service payment fund
