Fire Chief of the City of Bridgeport
30 Congress Street
Bridgeport, CT 06604

Submissions must be received or postmarked no later than Tuesday, September 15, 2015.

The City of Bridgeport, Connecticut, is recruiting for a Deputy Fire Chief/Executive Officer for its 300+ member professional fire department. The position is the second in command of the department and is responsible for a variety of administrative and management functions for fire suppression, training, investigations, fire inspections, financial administration, and the day-to-day direction of the department.

Candidates must possess an Associate's degree in Fire Service Management or a related area and at least fifteen (15) years progressively responsible professional firefighting experience, including at least three (3) years at the Shift Supervisor level, or higher, in a municipal fire department with at least 150 professional firefighters or larger. (Connecticut in-State candidates 100 professional firefighters or larger) Candidates should also possess or be able to obtain certifications issued by the State of Connecticut as Fire Officer I, Fire Officer II, and Fire Instructor. At least three (3) years previous experience as a Deputy Chief in a comparable, or larger fire department, may be substituted for Associate's degree. Fire Officer II or III Certification or a Masters Degree in Fire Service Management or related field or graduation from the Executive Officer Program at the National Fire Academy is preferred. A valid driver license is required. The successful candidate is subject to a complete background check, physical examination, and drug test prior to hiring.

The City of Bridgeport is committed to a diverse workplace, minorities and women are strongly encouraged to apply.
