COMMUNITY PROFILE AND ATTRACTIONS

The City of Bridgeport is located on the northern shore of the Long Island Sound, approximately 60 miles northeast of New York City and 60 miles southwest of Hartford. The City is on the crossroads of one of the best land, sea, rail and air transportation systems in the State. State Routes 8 and 25, with their links to Interstates 84 and 91, merge with Interstate 95 in downtown Bridgeport. Bridgeport Harbor is one of the three deep-water ports in Connecticut; its 35-foot deep channels and anchorages can accommodate most ocean-going vessels involved with international trade and shipping. Amtrak and Metro-North provide passenger service to the City from the downtown Transportation Center, and Conrail operates a major freight yard within a quarter-mile of the Port of Bridgeport. The Sikorsky Memorial Airport is a City-owned and operated general aviation facility that is located in Stratford, Connecticut, ten minutes from downtown.

The City is a major medical, legal, industrial, financial and entertainment center. Two medical centers provide for many of the health care needs of the Greater Bridgeport area. Federal, State, and County courthouses are located within the central business district. Corporate and regional business offices are located downtown, including the principal office of one of the largest Connecticut-based banks, People’s United Bank. There are over 300 finance and insurance City businesses.

The City of Bridgeport is the home of numerous attractions that enhance the City’s economic fortunes. The Barnum Museum showcases the life and times of the former City Mayor and renowned showman, P.T. Barnum. In 2019 the harbor ballpark will become the Harbor Yard Amphitheater where Live Nation will hold live music and other shows. The Arena at Harbor Yard brings hundreds of thousands of visitors annually to Bridgeport’s Downtown to watch minor league hockey, college basketball, college hockey, and other events. The Beardsley Zoo is one of the most visited tourist attractions in the State. The Discovery Museum and Planetarium, located in the north end of the City, offers interactive science and space displays. Theaters include the Klein, Bijou and Downtown Cabaret. Water venues include: Seaside Park & Beach, Captain’s Cove Seaport & Boardwalk, and St. Mary’s by the Sea – Wildlife Sanctuary

Major employers residing within the City’s boundaries include Bridgeport Hospital, St. Vincent’s Medical Center, and University of Bridgeport. The City, long a major manufacturing center, remains the home of more than 200 manufacturing companies. These companies typically exploit new technologies and occupy unusual or even unique market niches. There are over 350 professional, scientific and technical service firms.

The Greater Bridgeport area hosts four institutions of higher learning: The University of Bridgeport, Fairfield University, Sacred Heart University, and Housatonic Community College. These educational institutions provide the City’s corporate and business communities with skilled personnel and enhance the area’s cultural and community activities. Housatonic Community College, located in the heart of the City’s central business district, is one of the fastest growing in CT.
The City has a Mayor-City Council form of government. The City's Mayor is the chief executive officer of the City and serves a four-year term. The City Council, which acts as the City's legislative body, consists of twenty members elected for two-year terms. The current Mayor Joseph P. Ganim’s term expires in November of 2019. The Mayor shall appoint the Police Chief to a 5-year term which can be renewed for one additional 5-year term.

The Board of Police Commissioners is comprised of seven members who serve overlapping 2-year terms. This Board establishes departmental polices, goals and objectives; reviews and approves rules and regulations as recommended by the Chief of Police and conducts hearings concerning officer disciplinary actions which involve citizen complaints against officers. The Board serves as the second step for citizen complaints investigated by Internal Affairs, and it serves as the traffic authority for the City.

The Chief of Police is the head of the Bridgeport Police Department (BPD) and, as such, is responsible for the operation of the department consistent with directives of the Mayor and policies of the Board of Police Commissioners.
