CALL TO ORDER

The meeting was called to order at 6:05 PM. A quorum was present.

A. RECEIPT

1. Application 2015-04 by Michael Mezzanotte for an Inland Wetland Permit to repair and extend existing deck to support a future closed in (with roof) living space at 11 Woodbine Circle.

Mr. Popp distributed a picture of the property. He stated that the application is to enclose a deck that measures 12 ft by 56 ft. He stated that there is a minimal site plan that shows the location of the deck and old fence, and that he doesn't anticipate a significant wetland impact.

The Chair asked if they planned to enclose the whole thing at some point, and Mr. Popp stated that it may be an eventual plan, but that they do not intend to at this stage.
