

## The City of Bridgeport Fire Department

operates out of 8 fire stations protecting 138,000 citizens, covering 17.9 sq. miles of property including an airport and deepwater harbor.

There are 300 budgeted uniform positions within the Department divided into 2 Battalions, 9 Engine Companies, 4 Ladder Companies, 1 Rescue Company and 1 Fireboat.

Services provided to the public include fire safety education, code enforcement, fire investigation, fire suppression, rescue, medical, marine and hazardous material response.

The Department is on duty 24 hours a day, 7 days a week with a goal of providing emergency service for the protection of life and property within a four minute response time frame.
